

<p>7 CFR Sec. 210.31</p> <p>42 U.S.C. Sec. 1758b 7 CFR Sec. 210.31</p> <p>4. Guidelines</p> <p>7 CFR Sec. 210.15, 210.31</p>	<p>2. The extent to which this policy compares to model wellness policies.</p> <p>3. A description of the progress made by the district in attaining the goals of this policy.</p> <p>At least once every three (3) years, the district shall update or modify this policy as needed, based on the results of the most recent triennial assessment and/or as district and community needs and priorities change; wellness goals are met; new health science, information and technologies emerge; and new federal or state guidance or standards are issued.</p> <p>The district shall annually inform and update the public, including parents/guardians, students and others in the community, about the contents, updates and implementation of this policy via the district website, student handbooks, newsletters, posted notices and/or other efficient communication methods. This annual notification shall include information on how to access the School Wellness policy; information about the most recent triennial assessment; information on how to participate in the development, implementation and periodic review and update of the School Wellness policy; and a means of contacting Wellness Committee leadership.</p> <p><u>Recordkeeping</u></p> <p>The district shall retain records documenting compliance with the requirements of the School Wellness policy, which shall include:</p> <ol style="list-style-type: none"> 1. The written School Wellness policy. 2. Documentation demonstrating that the district has informed the public, on an annual basis, about the contents of the School Wellness policy and any updates to the policy. 3. Documentation of efforts to review and update the School Wellness policy, including who is involved in the review and methods used by the district to inform the public of their ability to participate in the review. 4. Documentation demonstrating the most recent assessment on the implementation of the School Wellness policy and notification of the assessment results to the public.
--	---

<p>42 U.S.C. Sec. 1758b</p>	<p><u>Wellness Committee</u></p> <p>The district shall establish a Wellness Committee comprised of, but not necessarily limited to, at least one (1) of each of the following: School Board member, district administrator, district food service representative, student, parent/guardian, school health professional, physical education teacher and member of the public. It shall be the goal that committee membership will include representatives from each school building and reflect the diversity of the community.</p> <p>The Wellness Committee shall serve as an advisory committee regarding student health issues and shall be responsible for developing, implementing and periodically reviewing and updating a School Wellness policy that complies with law to recommend to the Board for adoption.</p>
<p>7 CFR Sec. 210.31</p>	<p>The Wellness Committee shall review and consider evidence-based strategies and techniques in establishing goals for nutrition education and promotion, physical activity and other school based activities that promote student wellness as part of the policy development and revision process.</p> <p>Individuals who conduct student medical and dental examinations shall submit to the Advisory Health Council annual reports and later reports on the remedial work accomplished during the year, as required by law.</p>
<p>SC 1422</p>	<p><u>Nutrition Education</u></p> <p>Nutrition education will be provided within the sequential, comprehensive health education program in accordance with curriculum regulations and the academic standards for Health, Safety and Physical Education, and Family and Consumer Sciences.</p> <p>Nutrition education in the district shall teach, model, encourage and support healthy eating by students. Promoting student health and nutrition enhances readiness for learning and increases student achievement.</p> <p>Nutrition education shall provide all students with the knowledge and skills needed to lead healthy lives.</p>
<p>SC 1422</p>	<p>Nutrition education lessons and activities shall be age-appropriate.</p> <p>Nutrition curriculum shall teach behavior-focused skills, which may include menu planning, reading nutrition labels and media awareness.</p>

<p>SC 1513 Pol. 102, 105</p>	<p>Lifelong lifestyle balance shall be reinforced by linking nutrition education and physical activity.</p> <p>The staff responsible for providing nutrition education shall be properly trained and prepared and shall participate in appropriate professional development. The district shall develop standards for such training and professional development.</p> <p><u>Nutrition Promotion</u></p> <p>Nutrition promotion and education positively influence lifelong eating behaviors by using evidence-based techniques and nutrition messages, and by creating food environments that encourage healthy nutrition choices and encourage participation in school meal programs.</p> <p>District schools shall promote nutrition through the implementation of Farm to School activities where possible. Activities may include, but not be limited to, the initiation/maintenance of school gardens, taste-testing of local products in the cafeteria and classroom, classroom education about local agriculture and nutrition, field trips to local farms and incorporation of local foods into school meal programs.</p> <p>District staff shall cooperate with agencies and community organizations to provide opportunities for appropriate student projects related to nutrition.</p>
<p>Pol. 808</p>	<p>Consistent nutrition messages shall be disseminated and displayed throughout the district, schools, classrooms, cafeterias, homes, community and media.</p> <p>District schools shall offer resources about health and nutrition to encourage parents/guardians to provide healthy meals for their children.</p> <p><u>Physical Activity</u></p> <p>District schools shall strive to provide opportunities for developmentally</p>

appropriate physical activity during the school day for all students.

District schools shall contribute to the effort to provide students opportunities to accumulate at least sixty (60) minutes of age-appropriate physical activity daily, as recommended by the Centers for Disease Control and Prevention. Opportunities offered at school will augment physical activity outside the school environment, such as outdoor play at home, sports, etc.

Age-appropriate physical activity opportunities, such as outdoor and indoor recess, before and after school programs, during lunch, clubs, intramurals and interscholastic athletics, shall be provided to meet the needs and interests of all students, in addition to planned physical education.

A physical and social environment that encourages safe and enjoyable activity for all students shall be maintained.

Extended periods of student inactivity, two (2) hours or more, shall be discouraged.

Before and/or after-school programs shall provide developmentally appropriate physical activity for participating children.

District schools shall partner with parents/guardians and community members and organizations, such as YMCAs, Boys & Girls Clubs, local and state parks, hospitals, etc., to institute programs that support lifelong physical activity.

Physical activity shall not be used or withheld as a form of punishment.

District schools shall promote physical activity through encouragement of walking and biking as a means of transportation to and from school.

Physical Education

<p>SC 1512.1 Pol. 102, 105</p>	<p>A sequential physical education program consistent with curriculum regulations and Health, Safety and Physical Education academic standards shall be developed and implemented. All district students must participate in physical education.</p> <p>Quality physical education instruction that promotes lifelong physical activity and provides instruction in the skills and knowledge necessary for lifelong participation shall be provided.</p> <p>Physical education classes shall be the means through which all students learn, practice and are assessed on developmentally appropriate skills and knowledge necessary for lifelong, health-enhancing physical activity.</p> <p>A comprehensive physical education course of study that focuses on providing students the skills, knowledge and confidence to participate in lifelong, health-enhancing physical activity shall be implemented.</p> <p>A varied and comprehensive curriculum that promotes both team and individual activities and leads to students becoming and remaining physically active for a lifetime shall be provided in the physical education program.</p> <p>Adequate amounts of planned instruction shall be provided in order for students to achieve the proficient level for the Health, Safety and Physical Education academic standards.</p> <p>A local assessment system shall be implemented to track student progress on the Health, Safety and Physical Education academic standards.</p> <p>Students shall be moderately to vigorously active as much time as possible during a physical education class. Documented medical conditions and disabilities shall be accommodated during class.</p> <p>Safe and adequate equipment, facilities and resources shall be provided for physical education courses.</p> <p>Physical education shall be taught by certified health and physical education teachers.</p> <p>Appropriate professional development shall be provided for physical education staff.</p> <p>Physical education classes shall have a teacher-student ratio comparable to those of other courses for safe and effective instruction.</p>
------------------------------------	--

<p>7 CFR Sec. 210.10, 220.8</p>	<p>Physical activity shall not be used or withheld solely as a form of punishment.</p> <p><u>Other School Based Activities</u></p> <p>Drinking water shall be available and accessible to students, without restriction and at no cost to the student, at all meal periods and throughout the school day.</p> <p>Nutrition professionals who meet hiring criteria established by the district and in compliance with federal regulations shall administer the school meals program. Professional development and continuing education shall be provided for district nutrition staff, as required by federal regulations.</p> <p>District schools shall provide adequate space, as defined by the district, for eating and serving school meals.</p> <p>Students shall be provided a clean and safe meal environment.</p> <p>Students shall be provided adequate time to eat: ten (10) minutes sit down time for breakfast; twenty (20) minutes sit down time for lunch.</p> <p>District schools shall implement alternative service models to increase school breakfast participation where possible, such as breakfast served in the classroom, “grab & go breakfast” and breakfast after first period to reinforce the positive educational, behavioral and health impacts of a healthy breakfast.</p> <p>Meal periods shall be scheduled at appropriate hours, as required by federal regulations and as defined by the district.</p> <p>Students shall have access to hand washing or sanitizing before meals and snacks.</p> <p>Access to the food service operation shall be limited to authorized staff.</p> <p>Nutrition content of school meals shall be available to students and parents/guardians.</p> <p>Students and parents/guardians may be involved in menu selections through various means, such as taste testing and surveys.</p> <p>To the extent possible, the district shall utilize available funding and outside programs to enhance student wellness.</p>
-------------------------------------	--

in all locations and through all services where foods and beverages are sold to students, which may include, but are not limited to: a la carte options in cafeterias, vending machines, school stores, snack carts and fundraisers.

Competitive foods are defined as foods and beverages offered or sold to students on school campus during the school day, which are not part of the reimbursable school breakfast or lunch.

For purposes of this policy, **school campus** means any area of property under the jurisdiction of the school that students may access during the school day.

For purposes of this policy, **school day** means the period from midnight before school begins until thirty (30) minutes after the end of the official school day.

The district may impose additional restrictions on competitive foods, provided that the restrictions are not inconsistent with federal requirements.

Fundraiser Exemptions –

Fundraising activities held during the school day involving the sale of competitive foods shall be limited to foods that meet the Smart Snacks in School nutrition standards, unless an exemption is approved in accordance with applicable Board policy and administrative regulations.

The district may allow a limited number of exempt fundraisers as permitted by the Pennsylvania Department of Education each school year: up to five (5) exempt fundraisers in elementary and middle school buildings, and up to ten (10) exempt fundraisers in high school buildings. **Exempt fundraisers** are fundraisers in which competitive foods are available for sale to students that do not meet the Smart Snacks in School nutrition standards.

42 U.S.C.
Sec. 1751 et seq,
1773
7 CFR
Sec. 210.10, 220.8

The district shall establish administrative regulations to implement fundraising activities in district schools, including procedures for requesting a fundraiser exemption.

Non-Sold Competitive Foods –

<p>7 CFR Sec. 210.11, 220.12a, 210.31</p> <p>7 CFR Sec. 210.11, 210.31</p> <p>7 CFR Sec. 210.11, 210.31 7 CFR Sec. 210.11</p> <p>Pol. 229</p> <p>7 CFR Sec. 210.11</p>	<p>Non-sold competitive foods available to students, which may include but are not limited to foods and beverages offered as rewards and incentives, at classroom parties and celebrations, or as shared classroom snacks, shall meet or exceed the standards established by the district.</p> <p>If the offered competitive foods do not meet or exceed the Smart Snacks in School nutrition standards, the following standards shall apply:</p> <ol style="list-style-type: none">1. Rewards and Incentives: Foods and beverages shall not be used as a reward or incentive in district schools.2. Classroom Parties and Celebrations: When possible, foods/beverages for parties and celebrations shall be provided by the food service department to help prevent food safety and allergy concerns. Outside food and beverages shall be clearly labeled with nutrition ingredients to help prevent food safety and allergy concerns.3. Shared Classroom Snacks: Shared classroom snacks are to be clearly labeled with nutrition ingredients to help prevent food safety and allergy concerns. The district shall provide a list of suggested nonfood ideas and healthy food and beverage alternatives to parents/guardians and staff, which may be posted via the district website, student handbook, newsletters, posted notices and/or other efficient communication methods. <i>Marketing/Contracting –</i>
--	--

<p>7 CFR Sec. 210.11, 210.31</p> <p>SC 504.1</p>	<p>Any foods and beverages marketed or promoted to students on the school campus during the school day shall meet or exceed the established federal nutrition standards (USDA Smart Snacks in School) and comply with established Board policy and administrative regulations.</p> <p>Exclusive competitive food and/or beverage contracts shall be approved by the Board, in accordance with provisions of law. Existing contracts shall be reviewed and modified to the extent feasible to ensure compliance with established federal nutrition standards, including applicable marketing restrictions.</p> <p><u>Management of Food Allergies in District Schools</u></p> <p>The district shall establish Board policy and administrative regulations to address food allergy management in district schools in order to:</p> <ol style="list-style-type: none">1. Reduce and/or eliminate the likelihood of severe or potentially life-threatening allergic reactions.2. Ensure a rapid and effective response in case of a severe or potentially life-threatening allergic reaction.3. Protect the rights of students by providing them, through necessary accommodations when required, the opportunity to participate fully in all school programs and activities. <p><u>Safe Routes to School</u></p> <p>The district shall assess and, to the extent possible, implement improvements to make walking and biking to school safer and easier for students.</p> <p>The district shall cooperate with local municipalities, public safety agency, police departments and community organizations to develop and maintain safe routes to school.</p> <p>District administrators shall seek and utilize available federal and state funding for safe routes to school, when appropriate.</p> <p>References:</p>
